Setting up payment and securing your child's space at the club

We hope your child enjoyed their first session with us. There are a few steps to follow to ensure they can keep coming back to this class each week.

1. Discounted fees for the current month

You will receive an email from info@active-gym.co.uk in the next few days after your session with the fees that will need to be paid this month. This amount is discounted as your child may have joined part of the way through the month, and the first session with us is free of charge. The amount is calculated by multiplying the weekly session price by the number of weeks remaining this month. It may be there are no more Gymnastics Days left this month, in which case there would be no fees left to pay for this month.

2. Fees for future months

Payment is collected on the 1st of each month via Direct Debit. Fees are the same for each month, regardless of whether there are 3, 4 or 5 Gymnastics Days that month. To set this up, you'll need to sign a Direct Debit Mandate. Active Gym will be in touch regarding setting up your payment. This will allow us to collect payment, and will protect your payment as its one of the safest ways to pay. Prices are found below:

1hr sessions - £25/month

1.5hr sessions - £37/month

2hr sessions - £48/month - **most popular**

For more information on how we collect payments, please visit www.active-gym.co.uk/payment-information, or email info@active-gym.co.uk.

Certificates and competitions

Our mission at Active Gym is to help all children fall in love with gymnastics. We understand that each child is different, learn in different ways and enjoy different parts about coming to gymnastics.

For children who prefer learning skills and focusing on progressing their gymnastics abilities, we developed our **certificate scheme**. Gymnasts start at Level 1 and work their way up to Level 8 with increasingly hard challenges. Gymnasts are tested several times per year and slips are sent home to request payment for the certificate (£2.00 per child). Children are then presented with their certificate with their peers. If a child does not achieve the required skills for the next level, they will receive an attendance certificate in replacement to ensure they don't feel left out of the awards (£2.00 per child). Payment must be received to ensure the children get their certificate.

If your child is more excited about competing, we host several **competitions** each year with a general focus on floor and vault. Gymnasts are welcome to attend regardless of experience level, with all participants receiving a participation certificate, the top three for each discipline winning a medal and the overall winner for each group winning a trophy. Our competitions are focused on having fun and demonstrating what we have learned at gymnastics.

Children can participate in both or neither the certificate scheme and competitions.

Our club policies and photo consent

All of our club policies are available on our website under:

www.active-gym.co.uk/policies

You will have been sent a link asking you to familiarise yourself with these when you originally booked on through our website. You will have also been asked to input some required information about your child. It is your responsibility to keep the club aware of any changes to this information.

We will follow and act on these policies where necessary, and ask you to speak with your child to make them aware of the beliefs we have at our club and how to make the best of their gymnastics sessions.

If you have any concerns regarding a child at our club, please use the contact information below:

Director/Head Coach - Alex Walker - 07825216496

Club Welfare Officer - Sherilyn Gethin - 07977886421

We also take **photo consent** at our club very seriously, and only take photos of children who's parent/guardian has consented, and only do so on a singular secure device.

You are welcome to take photos of your own child at our club, but we ask that you do not include any children in your photographs that have not given photo consent.

In situations with group photos, all children will come together and children without photo consent will have their photo taken with their peers. Following this, they will be taken to the side and group photos can be taken.

The best place to find out more about what we do is our website, in particular our FAQs, linked below:
